LIQUID TECHNOLOGY

BIODEGRADABLE

CONCENTRATED

TÜV SÜD
TESTED BY

LICHEN REMOVAL AGENT

Removal agent for lichens, fungi and moss

LICHENS **MOSS** **FUNGI**

Benefits

- **No more scrapping** - helps to **break the bond** between the lichens and the solar glass, making them easier to remove
- **Saves time, effort and water** while avoiding potential damages to the modules due to agressive cleaning methods
- Developed **specifically for PV modules** and tiles
- **Tested by TÜV Sud** - does not damage the ARC, silicone and aluminium frame
- **Readily biodegradable** and environmentally friendly
- **Act preventively and protect the modules** with our coating D-Solar Defendor to avoid the recurrent use of the Lichen Removal Agent

Applications

- PV panels, thermal solar panels, PV solar tiles, etc.
